Basic Life Support for the Healthcare Professional:

This certification is basic life support for the healthcare provider. The course includes two-rescuer scenarios, bag mask resuscitation, and the use of an AED, and does require a demonstration of competency in performing CPR.

First Aid/ CPR/ AED:

This certification includes basic first aid skills, Adult/Child/Infant CPR, and AED training. This class is designed for the student wishing to take the First Aid and CPR in one evening. .

**All classes are taught at Sandy Fire Department - Station 31,
9010 S. 150 E. The cost for each class is \$25.00.
Seating is limited. Call 801-568-2944 to register.**
